

# PLANNING FOR LIFE'S EVENTS

Friday 28 October 2022

**WILLS**

**POWER OF  
ATTORNEY**

**ACD**

## Personal Preparedness: Late Stage and End of Life Planning

This FREE information session will cover basic information to assist people in understanding the importance of having a valid Will, Power of Attorney, and Advanced Care Directive – and what might happen if you don't have these documents in place. It is aimed to get you thinking about whether you, or your loved ones will be taken care of – in the event something happens to you. Presented by Community Justice Centre.

### **GOOLWA**
