

LGBTI+ community members and  
allies are invited to

## **AFTERNOON TEA AND CONVERSATIONS**

to help us identify ways we can collect  
stories from LGBTI+ elders  
who have experienced unexpected  
changes in their physical health  
or life situation.

**Come along to hear about the project and share your ideas:**

**WHEN:** 2.30 – 4:30pm Monday 7 August 2023

**WHERE:** Diverse City, 163 Gouger St, Adelaide, Karna Country

**RSVP / info:** Essential for catering, via 08 8232 0422 or [events@cotasa.org.au](mailto:events@cotasa.org.au)

### **About the project**

Our Fay Fuller Foundation Spark Grant project, Rainbow Dog, will explore the impact of unexpected changes on our emotional wellbeing. Through this project, we will gather stories from LGBTI+ elders about the impact of these events on them and/or their friends, and explore what happened as a result, what helped them, what got in the way and what could have helped them get through.
