

COTA SA is connected to thousands of older people throughout South Australia. We are creating new images and expectations of our older years by opening up new possibilities and opportunities... boldly reframing the way we age.

We represent 570,000 older South Australians on more than 50 influential forums and committees, we provide avenues for older South Australians to contribute to government policy and we offer a range of services and products.

Our members are a vital part of everything we do, supporting the work of COTA SA not only financially but by being an active part of our movement for change. We welcome organisations who wish to support our work and be involved.
